REQUESTING A STUDY TO DETERMINE THE
FEASIBILITY OF ESTABLISHING EMERGENCY TELEPHONES
IN CRITICAL AREAS OF NEED WITHIN THE COUNTY OF MAUI

WHEREAS, it is a known fact that numerous individuals have been greatly inconvenienced and at times seriously injured by having become isolated and stranded in inaccessible areas within the County of Maui; and

WHEREAS, certain remote areas of the County may be appropriate locations for emergency telephones in view of their recurrent use and isolated nature; and

WHEREAS, the County of Maui is one of the most scenic spots in the world and has the highest visitor satisfaction and return rates of the outer islands in the State of Hawaii, and as such the County of Maui should continue to foresee potential in conveniences to its visitors as well as residents; and

WHEREAS, all State and County parks, popular surfing and swimming areas, and scenic and visitor areas are potential areas for emergency telephone service; now, therefore,

BE IT RESOLVED by the Council of the County of Maui that it hereby requests that the Department of Transportation and Hawaiian Telephone Company study areas within the County of Maui in need of emergency telephone service and determine the feasibility of establishing emergency telephone service in these areas; and

FURTHER BE IT RESOLVED that certified copies of this resolution be transmitted to Mr. E. Alvey Wright, Director, Department of Transportation, State of Hawaii; to Mr. Harris Suyama, Maui District Engineer of the State Highway Division; to Mr. Ernest Halford, Maui Manager of the Hawaiian Telephone Company; and to the Mayor of the County of Maui.
